ABOUT MONBLEU RESTAURANT-----

Since March 2018, MONBLEU has endeavored to highlight the diversity and variety of this hexagonal emblem with a desacralized discourse around carefully sourced products, selected by the Meilleur Ouvrier de France Pierre Gay, the great variety of cheeses to be enjoyed raw or cooked at MONBLEU mainly highlights farm produce and raw milk cheeses.

Between great classics AOP and confidential finds, the different regions are represented at MONBLEU, Jura and Pays de Savoie in the lead, and even some foreign specimens. If the didactic approach dictates the experience, pleasure and conviviality remain at the heart of the process (let's not forget that cheese rhymes with sharing): neither lesson nor intellectualization!
